About Us

ASSAF Industry Company is a highly regarded enterprise specializing in the design, development, fabrication, and installation of steel, stainless steel, and aluminium products, along with exquisite decoration works. Our expertise and influence extend across architectural and structural projects in China and Qatar. With a rich history and a reputation for precision and efficiency, we have become a trusted name in the industry.

Our Manufacturing Facilities

We are proud to operate from four advanced manufacturing facilities strategically located in Kingdom of Saudi Arabia (ASAF Industry Company), Qatar (Saad Al Kaabi Steel and Aluminium Co. W.L.L), and China (Foshan Sunde Metal Manufacture and Liaoning Sade Heat Exchange Equipment Manufacturing). These facilities form a robust network that enables us to deliver high-quality materials within stipulated timelines, meeting the distinctive needs of each project.

Areas of Specialization

At ASSAF Industry Company, our specialization encompasses a wide spectrum of products and services, ranging from stainless steel, galvanized steel, and aluminium handrails to glass balustrades, decorative stainless steel cladding, sculptures, gates, furniture, and much more. Our diverse expertise allows us to cater to multifaceted requirements and deliver solutions that stand out in terms of quality and innovation.

Our Commitment

Dedicated to the pursuit of excellence, ASSAF Industry Company prioritizes quality, precision, and innovation in every project we undertake. With a passionate team of skilled professionals and cutting-edge technology, We are writing to confirm that the key management staff and engineers responsible for our operations in both Assaf Industry Company and Saad Al Kaabi Steel & Aluminium Co. W.L.L. are the same. This commitment ensures uniformity and expertise in delivering quality services across both locations. Your project will benefit from the continuity and experience of our dedicated team
